THIS LICENSE AGREEMENT (THE "AGREEMENT") FOR CERTAIN SUPPORT TOOLS OF QUALCOMM TECHNOLOGIES, INC., ALONG WITH ANY UPDATES THERETO (COLLECTIVELY, THE "TOOLS"), IS A LEGALLY BINDING AGREEMENT BETWEEN QUALCOMM TECHNOLOGIES, INC. ("QTI") AND YOU (AS AN INDIVIDUAL) OR THE LEGAL ENTITY THAT YOU REPRESENT ("YOU" or "YOUR"). IF YOU ARE ACCEPTING THIS AGREEMENT ON BEHALF OF A LEGAL ENTITY, YOU REPRESENT AND WARRANT THAT YOU HAVE AUTHORITY TO BIND THAT ENTITY TO THIS AGREEMENT. BY USING OR DOWNLOADING THE TOOLS, YOU ARE ACCEPTING THIS AGREEMENT AND YOU AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS. IF YOU DO NOT AGREE TO THESE TERMS, YOU MAY NOT USE OR RETAIN ANY COPIES OF THE TOOLS. ANY USE OR POSSESSION OF THE TOOLS BY YOU IS SUBJECT TO THE TERMS AND CONDITIONS SET FORTH IN THIS AGREEMENT.

LICENSE. Subject to Your acceptance of, and compliance with, all of the terms and conditions of this Agreement, QTI hereby grants You a personal, non-exclusive, non-transferable, non-assignable, revocable, limited copyright license, during the term of this Agreement, in accordance with the documentation made available by QTI in connection with the Tools, if any, to internally test, evaluate, debug, and support development of: (i) platforms that contain a semiconductor product sold under QTI's (or QTI's affiliates') label or manufactured under license from QTI (or QTI's affiliates') ("Platform"), or (ii) Your software application which is designed for an end user to use on or with a Platform (the "License"). If the Tools are designated by QTI as distributable (indicated by terms such as "distributable" or any similar designation in a file or documentation accompanying that Tool, or as otherwise notified by QTI to You), You may distribute the same to a third party for internal testing, evaluation, debugging, and supporting development of a Platform pursuant to a binding agreement between You and that third party that includes: (a) restrictions on the disclosure and use of the distributable Tool substantially consistent with, and at least as protective of QTI as, those set forth in this Agreement; and (b) a prohibition on any further distribution of the distributable Tool on a standalone basis. You will be responsible for ensuring compliance with that agreement and hereby agree to enforce such terms in a manner similar to that which You use to protect Your own software and most highly confidential information. You shall assume full responsibility for compliance with the terms and conditions of this Agreement by such third party, including seeking injunctive relief against such third party as requested by QTI. Any redistribution of the Tools as permitted hereunder must include any Notice Files (as defined below) related to the Tools.

RESTRICTIONS. You shall not attempt, knowingly permit or encourage others to attempt, to: (i) reverse engineer, reverse compile, disassemble, decompile, or translate the Tools, or otherwise attempt to derive the source code version of the Tools, in whole or part; (ii) trace, decompile, disassemble or decrypt the Tools; (iii) bypass, disable, or circumvent any technical limitation, encryption, security, digital rights management or authentication mechanism in the Tools; (iv) use the Tools for any purpose that is illegal or may cause reputational harm to QTI or its affiliates; (v) use the Tools to identify or provide evidence to support any potential patent infringement claim against QTI, its affiliates, or any of QTI's or QTI's affiliates' suppliers and/or direct or indirect customers; (vi) except as expressly set forth in the License, copy, rent, lease, loan, reproduce, modify, distribute, commercially exploit, publicly perform, publicly display or create derivative works of or based on the Tools, or disclose, provide or otherwise distribute or transfer, in any manner, to any third party the Tools or any portion thereof; (vii) use the Tools in production, commercial operation, hosted services, or incorporate or distribute the Tools, in whole or in part, with any product, service, or deliverable; (viii) use the Tools to conduct benchmarking, competitive analysis, performance testing, or comparative analysis, or publish or disclose any results thereof, without QTI's prior written consent; or (ix) use the Tools for any purpose other than as expressly permitted in the License. Furthermore, You may not use QTI's or its affiliates' name, logo or trademarks, and the copyright, trademark, patent and any other notices that appear on the Tools may not be removed or obscured. You also agree to defend, indemnify and hold harmless QTI and its affiliates from and against any and all claims, losses, damages, judgments, costs and expenses arising out of or related to: (i) Your breach of this Agreement; (ii) any breach of this Agreement or misuse of the Tools by any third party to whom You provide access to or distribute the Tools; and/or (iii) Your or any such third party's use, misuse or operation of Tools, in each case to the fullest extent permitted by law.

THIRD-PARTY MATERIALS. The Tools may include third party software and/or materials written or owned by third parties ("Third-Party Materials") for which QTI may provide You with notice and/or attribution information, which may be provided in the form of a separate document, a digital file, readme file, release notes, a support website, software code, or other suitable communication (each a "Notice File"), pertaining to such Third-Party Materials. Except (a) where QTI has expressly identified a third party license contained in a Notice File as a pass-through license, or (b) where expressly prohibited by a third party license contained in a Notice File, Your use of such Third-Party Materials is subject to the terms and conditions of this Agreement, and the content of such Notice File is provided solely to satisfy QTI's notice and/or attribution obligations (clauses (a) and (b), collectively, the "Exceptions"). You further acknowledge and agree that: (i) compliance with all copyright laws and any third party license included in a Notice File is Your responsibility;

(ii) You shall not remove or alter any Notice File; (iii) no license to any patent, trademark, copyright, or other intellectual property of QTI or any QTI affiliate is provided by a Notice File itself; (iv) the delivery hereunder of any Tools to You is NOT A CONTRIBUTION to any open source project; and (v) except with respect to the Exceptions, in the event of any conflict between the terms and conditions of this Agreement and any third party license included in a Notice File, this Agreement shall control.

OWNERSHIP. QTI (or its licensors) shall retain title and all ownership rights in and to the Tools and any alterations, modifications (including all derivative works), translations or adaptations made of the Tools, and all copies thereof. Notwithstanding anything to the contrary contained herein, QTI does not grant and You do not receive, by virtue of any act by QTI or any of its affiliates pursuant to this Agreement or relating to the Tools (including, without limitation, the provision by QTI or its affiliates of the Tools) any license or other rights under any intellectual property of QTI or any of its affiliates, except for the copyright rights expressly granted in the License herein.

FEEDBACK. You may, but You are not obligated to, provide suggestions, requests, fixes, modifications, enhancements, or other information regarding the Tools (collectively, "Feedback"). Feedback, even if designated as confidential by You, shall not create any confidentiality obligation for QTI or its affiliates. Moreover, QTI and its affiliates shall be free to use Your Feedback in the further development and enhancement of the Tools or any other product or service offerings of QTI and its affiliates, without obligation of any kind to You.

OPEN-SOURCE RESTRICTIONS. In addition to the restrictions set forth above, You shall not engage in any act or failure to act that enables, causes or facilitates any use or distribution of the Tools or any Third-Party Materials in a manner that causes any patents, copyrights or other intellectual property rights owned or controlled by QTI or any of its affiliates (or for which QTI or any of its affiliates has received license rights) to become subject to any encumbrance or terms and conditions of any Open-Source License Terms, including by combining, linking, distributing, or otherwise using the Tools or Third-Party Materials with software or other materials subject to Open-Source License Terms in a manner that would impose any disclosure, licensing, distribution, source code availability, royalty-free, or other obligation on QTI or its affiliates, and You shall restrict each of Your authorized users from the same. "Open-Source License Terms" means terms in any license for software that, as a condition of use, copying, modification or redistribution, require such software and/or derivative works thereof to be disclosed or distributed in source code form, to be licensed for the purpose of making derivative works, or to be distributed free of charge, including without limitation software distributed under the GPL (GNU General Public License) or LGPL (GNU Lesser General Public License). The rights granted by QTI in this Agreement are expressly conditioned upon Your full compliance with this Agreement, including without limitation, this Section.

NO WARRANTY OR SUPPORT. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE TOOLS AND SUPPORT, IF ANY, ARE PROVIDED "AS IS" AND QTI AND ITS AFFILIATES DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR AGAINST INFRINGEMENT, OR ANY EXPRESS OR IMPLIED WARRANTY ARISING OUT OF TRADE USAGE OR OUT OF A COURSE OF DEALING OR COURSE OF PERFORMANCE. YOU ACKNOWLEDGE AND AGREE THAT QTI IS UNDER NO OBLIGATION TO PROVIDE ANY FORM OF SUPPORT IN REGARD TO THE TOOLS.

LIMITATION OF LIABILITY. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL QTI, QTI'S AFFILIATES OR EACH OF THEIR LICENSORS BE LIABLE TO YOU FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES, INCLUDING BUT NOT LIMITED TO ANY LOST PROFITS, LOST SAVINGS, OR OTHER INCIDENTAL DAMAGES, ARISING OUT OF THE USE OR INABILITY TO USE, OR THE DELIVERY OR FAILURE TO DELIVER, THE TOOLS, OR ANY BREACH OF ANY OBLIGATION UNDER THIS AGREEMENT, EVEN IF QTI HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE FOREGOING LIMITATION OF LIABILITY SHALL REMAIN IN FULL FORCE AND EFFECT REGARDLESS OF WHETHER YOUR REMEDIES HEREUNDER ARE DETERMINED TO HAVE FAILED OF THEIR ESSENTIAL PURPOSE. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE ENTIRE LIABILITY OF QTI, QTI'S AFFILIATES AND EACH OF THEIR LICENSORS, AND THE SOLE AND EXCLUSIVE REMEDY OF YOU, FOR ANY CLAIM OR CAUSE OF ACTION ARISING HEREUNDER (WHETHER IN CONTRACT, TORT, OR OTHERWISE) SHALL NOT EXCEED FIFTY DOLLARS (US$50.00).

TERM AND TERMINATION. This Agreement shall be effective upon acceptance by You and shall continue until terminated. This Agreement terminates immediately and automatically, with or without notice, if You fail to comply with any provision of this Agreement. If You commence or participate in any legal proceeding against QTI or its affiliates, then QTI may, in its sole discretion, suspend or terminate the License and any other rights provided under this Agreement during the pendency of such legal proceedings. Upon termination, You must destroy all copies of the Tools, including documentation, in Your possession and the License granted to You in this Agreement shall immediately terminate. With the exception of the License, all sections of this Agreement shall survive termination.

EXPORT AND TRADE CONTROLS COMPLIANCE. You and Your affiliates acknowledge that the hardware, software, technology, and certain services obtained from QTI (collectively, "Items") may be subject to U.S. export control and economic sanctions laws, orders, and regulations, including, without

limitation, the Export Administration Regulations ("EAR"), 15 CFR Parts 730-774, and the Foreign Assets Control Regulations, 31 CFR Parts 500-599, as well as similar laws and regulations of other applicable jurisdictions (collectively "Export and Sanctions Laws"). In connection with the performance of their obligations under this Agreement, You and Your affiliates (i) will comply with all Export and Sanctions Laws, including by obtaining any required U.S. or other country licenses, authorizations, or approvals; and (ii) will not engage in any activity that would reasonably be expected to cause QTI to violate any Export and Sanctions Laws. You warrant that neither You, nor Your affiliates, will directly or indirectly export, re-export, transfer or release (collectively, "Export") any Items (whether or not incorporated into another item) or any direct product thereof, to any country or territory, its government, any entity located in or organized under the laws of such country or territory, or any individual located or resident in such country or territory, if, at the time of Export, the U.S. government maintains comprehensive economic sanctions or an embargo with respect to such country or territory ("Embargoed Country"), without prior government authorization. The U.S. government currently maintains comprehensive economic sanctions or an embargo against Cuba, Iran, North Korea, and the Crimea and other regions of Ukraine controlled by the Russian Federation. The U.S. government also has imposed extensive export controls and economic sanctions on, inter alia, Belarus, the Russian Federation, Syria, and Venezuela. The list of impacted countries may be amended over time. You further agree not to directly or indirectly employ any Items in, or Export any Items for, end uses or end users that would violate the controls in Part 744 of the EAR, without prior U.S. government authorization, including those related to prohibited unmanned aerial vehicle ("UAV") or missile technology; prohibited nuclear, chemical, or biological weapons activities; prohibited supercomputer or semiconductor manufacturing end uses; or for any prohibited military end use or end user. You warrant that neither You, nor Your affiliates, are: (i) listed on a prohibited or restricted party list published by the U.S. government, including but not limited to the U.S. Department of Treasury's "List of Specially Designated Nationals and Blocked Persons" and "Consolidated Sanctions List", and the U.S. Department of Commerce's Entity List, Unverified List, Denied Persons List, and Military End-User List, or any similar list maintained by the United Kingdom, the European Union or its Member States, or other applicable local authority; (ii) located, organized or resident in an Embargoed Country; (iii) owned (50% or more in the aggregate) or controlled, directly or indirectly, by one or more persons or entities described in clauses (i) or (ii); or (iv) otherwise the target of U.S. sanctions (collectively, "Restricted Parties"). You shall not Export any Item to any Restricted Parties without prior government authorization, to the extent required by regulation. If You are a person or entity located in Belarus, Burma (Myanmar), Cambodia, the People's Republic of China, Nicaragua, the Russian Federation, or Venezuela, You certify that You are not a "military end-user" as that term is defined in section 744.21 of the EAR. You acknowledge that the foregoing certifications are conditions to Your access to Items. You agree that You bear sole responsibility for any violation of Export and Sanctions Laws in connection with Your activities under this Agreement and further agree to protect, indemnify and hold harmless QTI from any claim, damages, liability costs, fees and expenses incurred by QTI as a result of Your violation of such laws. This section shall survive the expiration or termination of this Agreement.

MISCELLANEOUS. This Agreement shall be construed in accordance with, and all disputes hereunder shall be governed by, the laws of the State of California without giving effect to its conflict of laws provisions. The United Nations Convention on Contracts for the International Sale of Goods is expressly disclaimed and shall not apply. Any claim arising out of or related to this Agreement must be brought exclusively in a federal or state court located in San Diego County, California and You consent to the jurisdiction and venue of such courts. In the event that any of the provisions of this Agreement shall be held by a court or other tribunal of competent jurisdiction to be unenforceable, the remaining portions of this Agreement shall remain in full force and effect. The parties agree to negotiate in good faith substitute provisions, which reflect the parties' intent when entering into this Agreement. No addition or modification of this Agreement shall be effective unless in writing and signed by authorized representatives of both parties. The failure of either party to enforce at any time, or for any period of time, any provision hereof shall not be construed to be a waiver of such provisions or of the right of such party to enforce each and every such provision. You may not assign this Agreement or any right, nor delegate any obligation under this Agreement, without QTI's prior written consent. This Agreement is intended as the complete agreement between the parties and shall supersede all prior agreements (written or oral) with respect to the subject matter hereof. This Agreement is entered into solely in the English language, and notwithstanding anything to the contrary, the English version shall govern and control all aspects.
